The unanimous Declaration of the thirteen united States of America

When in the course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

He has refused his assent to laws, the validity of which he judged to be unconstitutional, unless provided in favor of freedom for the common education of larger interests.

2014

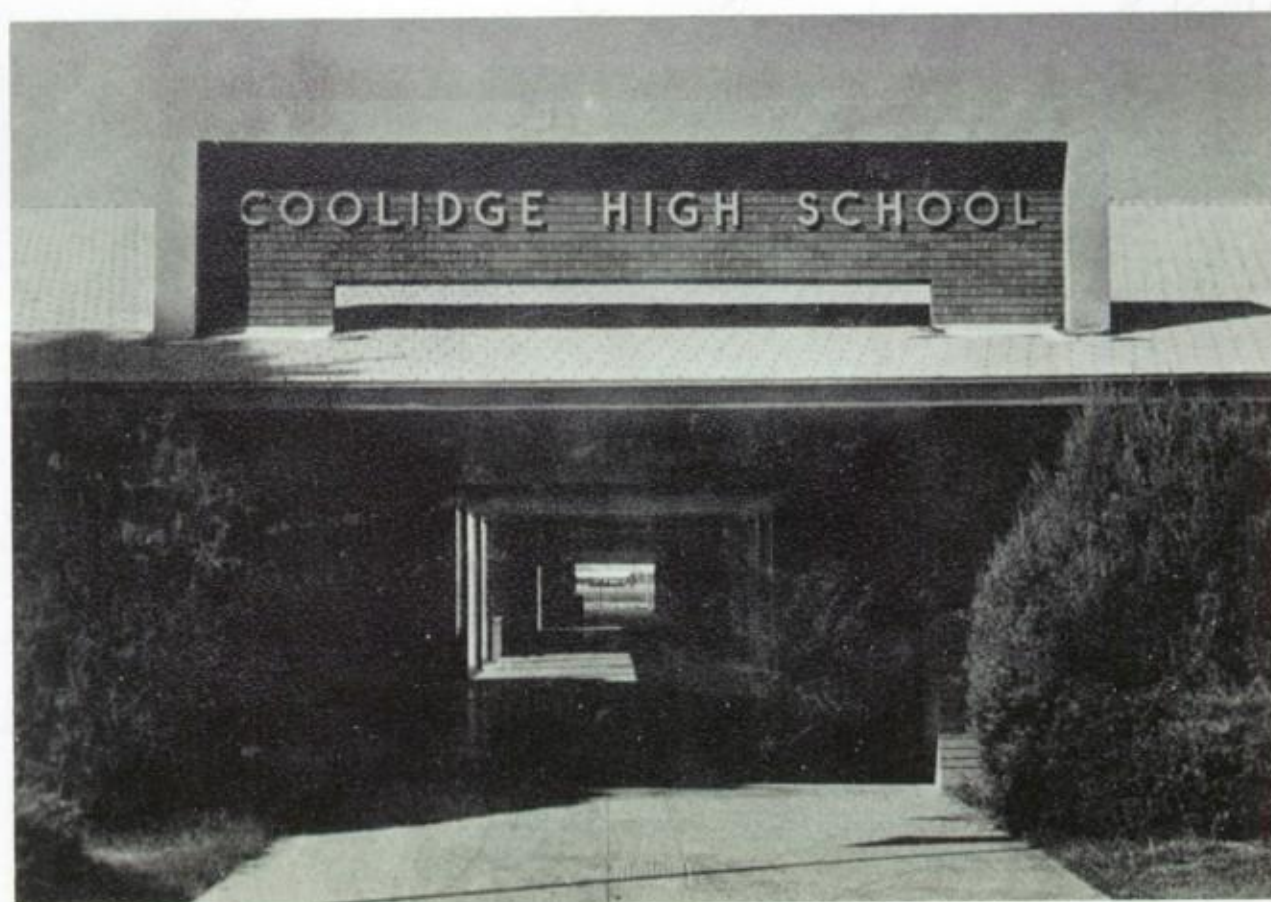

Two hundred years ago our country was formed by a few men wanting justice and freedom for all. Now the year 1776 is the most important year in United States history. It is also one of the most important years in world history, for that one country changed the course of events more than anything else in history. Naturally the years 1975-76 are equally special to us being our nation's two hundredth birthday.

The bicentennial is a very great accomplishment for the United States, for no other government on this earth has been able to function under a single constitution for more than two hundred years. Our constitution is now one hundred eighty-nine years old. So far it has proved itself over and over again as supreme in withstanding all of the trials put before it. Now, the next few years will prove if it is better than any other government ever conceived on this earth.

1975 is also another special year. It marks the fiftieth anniversary of our town Coolidge. Coolidge started out as a lonely stop along the Southern Pacific Railroad mainline to Phoenix. That, however, and the existence of Coolidge Dam combined to produce a town now of seventy-two hundred people. Coolidge's history doesn't just begin fifty years ago, however. It started hundreds of years ago with the building of the Casa Grande ruins by the Ho Ho Kam Indians. And even while patriots in the thirteen colonies were fighting the British, the future site of Coolidge was being visited by the Anza expedition from Mexico. Arizona eventually became a territory of the United States, and later a state. Coolidge's growth followed right along, growing as Arizona did.

Now, in this bicentennial year, we hope that both can continue to grow. We also hope that the beliefs of two hundred years ago haven't been forgotten, but instead still exist. Only time, however, can give us the answers to these questions, and so we must wait and watch the course of events.

A time to kill, and a time to heal;
a time to break down, and a time

A time to weep, and a time to

THE FLAG . . .

Every country has its own flag. Our flag did not always look the way it does today. In the early days the colonists lived in thirteen separate colonies, each with its own flag.

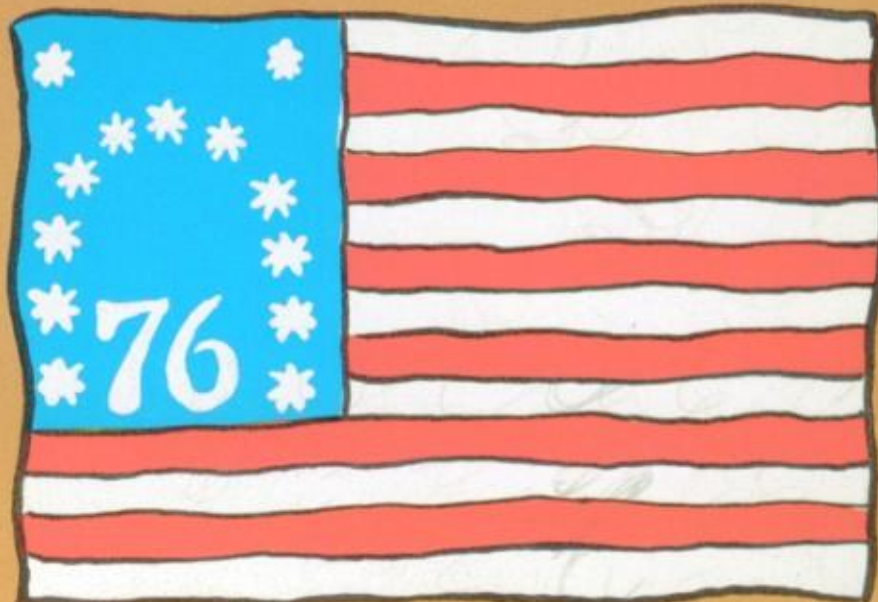

The first days of the Revolutionary War, the colonists carried their old flags into battle. They needed one flag to stand for all the colonies fighting together. The American flag was to have a star and a stripe for each of the thirteen colonies.

The Betsy Ross Flag with the stars arranged in a circle was based on the idea that no colony should take precedence. This flag evolved into our present day flag.

All other flags soon disappeared after the Stars and Stripes was adopted, yet the insignia shown on some of them appears occasionally on a state flag.

I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic, a sovereign nation of many sovereign states; a perfect union, one and inseparable; established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes. I therefore believe it is my duty to my country to love it, to support its constitution, to obey its laws, to respect its flag, and to defend it against all enemies.

coolidge celebrates 50th year

(Opposite page, top photo) Coolidge's first school in 1913 was a one room schoolhouse northwest of the present site of Coolidge. The town did not yet exist. The first high school was started in 1935. Students first met in the Woman's Club and Community Church buildings. During that year, the first high school building was constructed. Construction was completed in time for the students to use in the fall of 1936. That building today houses the Coolidge Junior High School. Our present high school was built in 1954.

(Opposite page, bottom photo) The first post office in Coolidge was located on Coolidge Avenue. It was started in 1926, later moved to Main Street, and later on, to Central Avenue.

(Photo left, this page) 1926 was also the year the first church in Coolidge was started. It was the Community Presbyterian Church. Another Presbyterian church was located southwest of town and the two churches merged to form the present church. The building pictured here was moved to Blackwater several years ago.

Even in 1955 beating rivaling town Florence was one of the first objectives of Coolidge High School. This car was decorated for homecoming halftime festivities during that year.

The unanimous Declaration of the thirteen united States of America.

When in the course of human events, it becomes necessary for one people to dissolve the political bonds which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal; that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.—That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed.—That whenever any form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such Principles and organizing its Powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Tyranny, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.—Such has been the patient suffrage of those colonies; and such is now the majority which condenses them to alter their former Systems of Government.

The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this let facts be presented to a candid world.

He has refused his assent to Laws, the most wholesome and necessary for the public good.—He has forbidden his Governors to pass Laws of immediate and pressing importance, unless suspended in their operation till his assent should be obtained; and when so suspended, he has utterly neglected to attend to them.—He has refused to pass other Laws for the accommodation of large districts of People, unless those People would relinquish the right of Representation in the Legislature, a right inseparable to them and provided for in the compact.—He has called together legislative Bodies at times unusual, uncomfortable and distant from the depository of their Public Records, for the sole purpose of harassing them into compliance with his measures.—He has dissolved Representative Houses repeatedly, for opposing with manly firmness his invasions on the rights of the People.—He has refused for a long time after each dissolution, to cause others to be elected; whereby the Legislative Powers, incapable of Annihilation, have returned to the People at large for their exercise; the State remaining in the mean time exposed to all the dangers of Invasion from without, and convulsions within.—He has endeavored to prevent the Population of these States; for that purpose obstructing the Law for Naturalization of Strangers; refusing to grant Letters of Naturalization to others; and raising the conditions of new Appropriations of Lands.—He has obstructed the Administration of Justice, by refusing his assent for establishing Judiciary Powers.—He has made Judges dependent on his Will alone, for the tenure of their Offices, and the amount and Payment of their Salaries.—He has erected a multitude of New Offices, and sent hither swarms of Officers to harass our People, and eat out their substance.—He has kept among us, in times of Peace, Standing Armies without the Consent of our Legislature.—He has affected to make the Military independent of and superior to the civil Power.—He has combined with them to subject us to a jurisdiction foreign to our Constitution, and unacknowledged by our Laws; giving his assent to their Acts of pretended Legislation.—For quartering large bodies of armed troops among us.—For retaining us by a weak Staff, from Parliament for any Number which they should consider on the Inhabitants of these States.—For cutting off our Trade with all parts of the world.—For imposing Taxes on us without our Consent.—For depriving us in many cases of the benefits of Trial by Jury.—For transporting us beyond Seas to be tried for pretended Offences.—For abolishing the free System of English Laws in a neighboring Province, establishing therein an arbitrary government, and enlarging its Boundaries so as to render it at once an example and fit instrument for introducing the same absolute rule into these Colonies.—For taking away our Charters, abolishing our most valuable Laws and altering fundamentally the Forms of our Governments.—For suspending our own Legislatures, and declaring themselves invested with power to legislate for us in all cases whatsoever.—

He has abolished Government here by declaring us out of the Relation and waging War against us.—He has plundered our seas, ravaged our Coasts, burnt our towns and destroyed the lives of our People.—He is at this time committing large Sums of money to conduct the works of death, desolation and tyranny, already begun with circumstances of cruelty & perfidy, purposely intended for the most barbarous usage, and totally contrary to the spirit of a civilized nation.—He has constrained our fellow Citizens taken Captive on the high seas to bear Arms against their Country, to become the executioners of their friends and Brethren, to assist themselves by their Hands.—He has excited domestic insurrections amongst us, and has endeavored to bring on the inhabitants of our frontiers, the merciless Indian Savages, whose known acts of warpage, as an undistinguished destruction of all ages, sexes and conditions.—For every petty Oppression thus we have Recourse to Death in the most horrible terms.—Our repeated Petitions have been answered by repeated injury.—A Prince, whose character is thus marked by every vice which may define a Tyrant, is unfit to be the ruler of a free People.—We have to this been warning in attention to our British brethren, We have warned them from time to time of attempts by their Legislature to extend an unwarrantable Jurisdiction over us.—We have reminded them of the circumstances of our emigration and settlement here.—We have appealed to their native justice and magnanimity, and we have begged them by the ties of our common kindred to disavow those usurpations, which would inevitably interrupt our connections and correspondence.—They too have been deaf to the voice of justice and of concinnity.—We must, therefore, acquiesce in the necessity, which denounces our Separation, and hold them as we hold the rest of mankind, Enemies in War, in Peace Friends.

We, therefore, the Representatives of the united States of America, in General Congress assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by Authority of the good People of these Colonies, solemnly publish and declare, That these United Colonies are, and of Right ought to be Free and Independent States; that they are absolved from all Allegiance to the British Crown, and that all political connection between them and the State of Great Britain, is and ought to be totally dissolved; and that as Free and Independent States, they have full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which Independent States may of right do.—And for the support of this Declaration, with a firm reliance on the protection of Divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.

student council revives 'freak' week

A new week's activity was introduced to CHS by the student council. During Halloween week various activities were scheduled for the newly initiated "Freak" week.

Starting Monday, there was a tricycle race down the breezeway during lunch time.

Tuesday followed with a pumpkin cutting contest. Ms. Beebe judged the best pumpkin. The Powderpuff football game was held Tuesday night with the freshmen and seniors teamed up against the sophomores and juniors. The freshmen-senior team, coached by Terry Rhodes and Clint Dickerson could not hold up against the sophomore-junior team, coached by Greg Wuertz and Danny Bourland. Wednesday arrived with an apple bobbing contest which ended up with a few dunked heads.

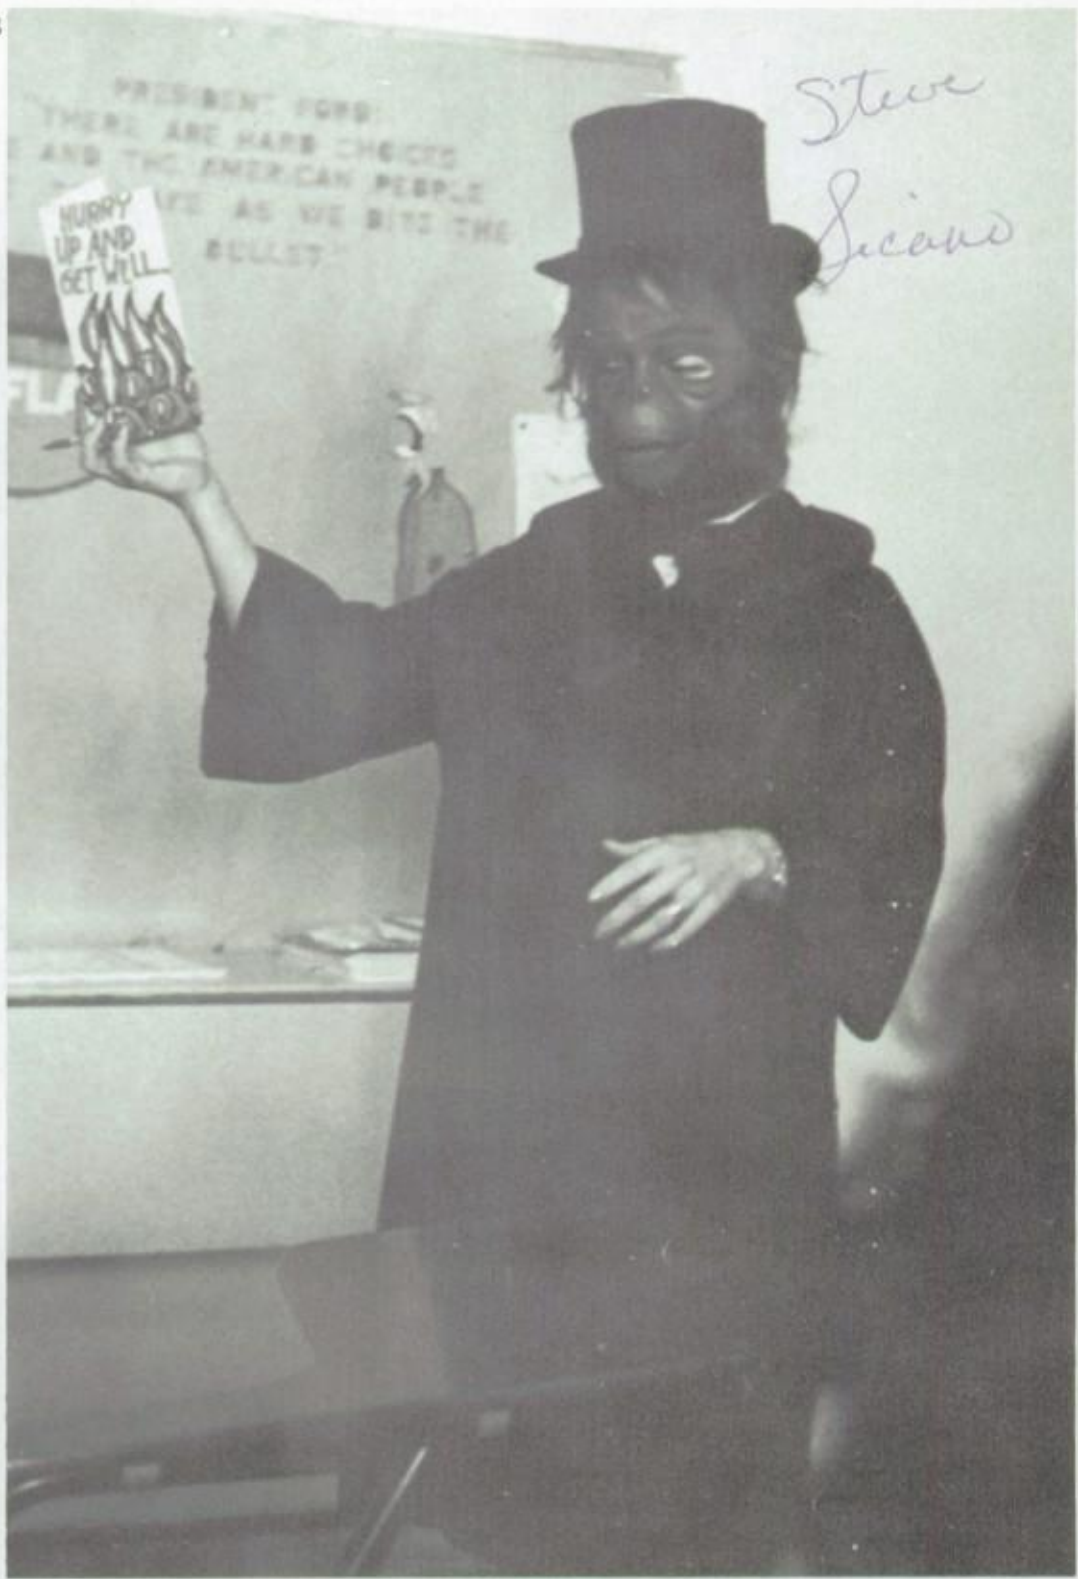

Dress-up day was Friday. Students from each class dressed for halloween. There was a pep assembly which aroused spirit against the Santa Cruz Dust Devils.

There was no school Friday, but the football game against Santa Cruz was held as scheduled.

1. Ragie Morrow and Particia Cunningham tried to shake off the water they soaked up from bobbing for apples. 2. Brenda Zell discussed with Theresa Behrens her strategy of pumpkin cutting. 3. Mrs. Ferguson expressed her spirit by dressing up for halloween. 4. Debbie Turnbull decided to concentrate for awhile while puffing her pipe. 5. Clint Dickerson boosted a player's spirits before sending her back out on the field. 6. Terry Rhodes gave Carrie England play instructions during a switch in players.

6

'bears are superstars'

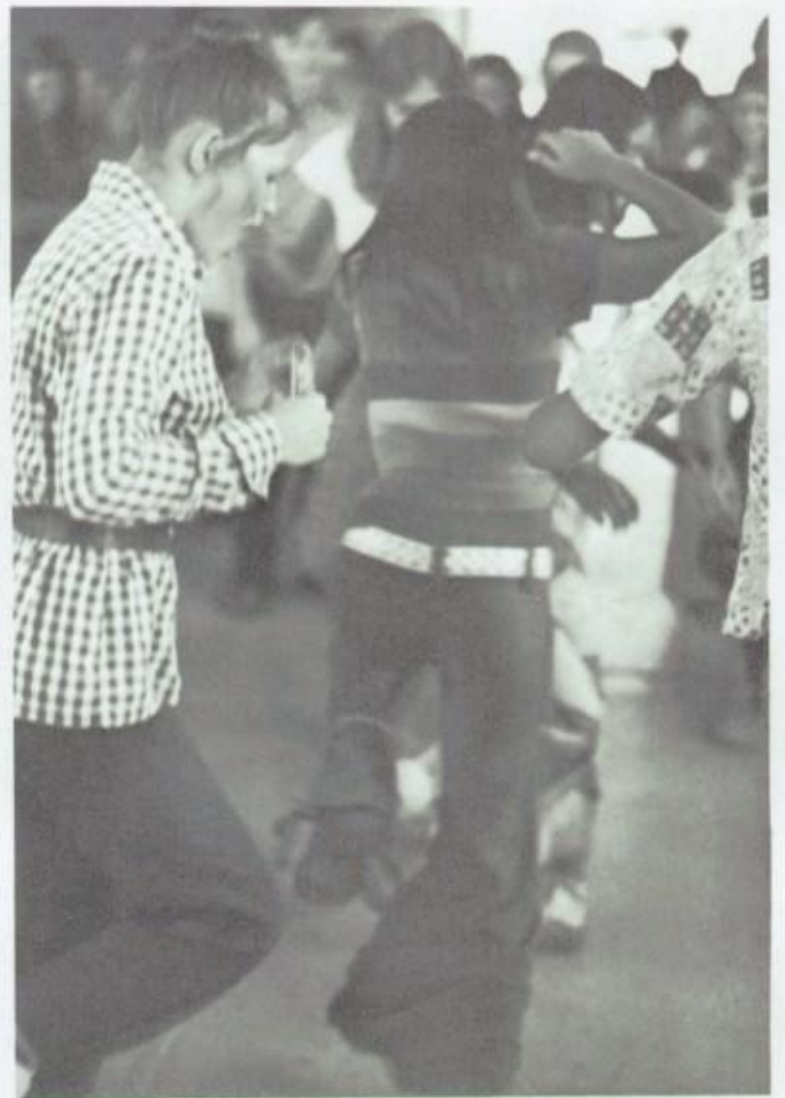

The 1975-76 Homecoming was once again successful. The week was filled with activities which each class actively participated in. The Freshman class won overall, taking the spirit stick.

The week before on Saturday, each class started construction on their float. They continued working throughout the week. The daily noontime activities were Shaving Balloon on Monday, Kleenex Blowing Contest on Tuesday, Tricycle Riding on Wednesday, Balloon Bust on Thursday, and Decorating of Cars on Friday.

To end the week, there was a game on Friday night. At half time the band performed, the floats were paraded, and the royalty was crowned. After the game there was a dance where Geofree played. Flowers for Homecoming dates were purchased from the Pom-pons.

6 1. Classes held a meeting to select Homecoming attendant nominees. 2. The victory hoop for Homecoming was quite original. 3. Homecoming Royalty waited patiently for the crowning of the attendants. 4. The balloon Bust event gave all a hopping good time. 5. Ann Cole assisted Beth Shope out of a car, as one of her duties as hostess. 6. As the first player back on the field, Terry Rhodes had the honor of breaking the hoop. 7. The Homecoming pep assembly was held in the park on a hot, fall afternoon. 8. The Napkin Blowing contest took the participant's breath away. 9. Prepared to enter the parade, Sophomores and Juniors decorated their trucks. 10. The balloons were in perfect condition before the stomping contest began.

Members of the CHS Drama Club and other interested students displayed their acting ability in the fall production of 'Curtain Going Up', a 3-act comedy by Gregory Johnston. The cast included many students who had never acted before, as well as a few who had some previous experience on stage.

'Curtain Going Up' was a play set in contemporary time about a young drama teacher directing her first high school play. During the play she and her students encountered every imaginable problem from having the play books stolen to having the leading man shot with a prop gun!

The Drama Club also worked very hard this year. Members who did not have acting roles in the play worked in various technical capacities, such as make-up, sound, costuming and publicity. Under the direction of its sponsor, John Siler, the Drama Club helped develop the Fine Arts program at CHS.

New to CHS this year was the International Thespian Society. This is a world wide organization for aspiring actors and actresses. To become a member each would-be-Thespian had to earn ten points from working on plays. This is the first year CHS has had an active Thespian troupe in several years.

Yearbook staff editor, Cindy McClain, found putting a yearbook together took time along with imagination. 3. After a previous year of experience, Linda Jones, instructed Stacy Mills, a newcomer on the staff how to put pictures in the correct order. 4. Yearbook's Business Manager, Kim Richards, decided to get a breath of fresh air as she balanced the books for the staff. 5. Mrs. Millheim checked Lisa Powell's copy for a layout.

Thirteen people made up the yearbook staff this year. They took on the big responsibility of capturing all of the best moments and putting them down in a Yearbook: President '76.

Working under Sponsor Janice Millheim and Editor Cindy McClain, the Yearbook staff spent many hours writing copy, drawing layouts, taking and developing pictures, and yes, worrying a lot too. More than once, staff members worked nights and weekends in order to meet the deadlines. But, eventually, the entire yearbook was assembled. The photographers could put away their cameras and close up the dark room; others could put away their pens, cropers, and rulers, and everyone could breathe a sigh of relief. The 1976 President had gone to press.

Once again the staff of Beartracks kept the students of Coolidge High School informed of school happenings by publishing a six page paper every month. One major change was made this year. Instead of sending the paper to a printer to print, they did the printing themselves using a school duplicating machine. The Tharrington Printing Co. printed the columns of copy. Staff members then cut them up and pasted them in place. A stencil was made, and the finished paper was printed up on a mimeograph machine. The staff was able to cut down on costs this way. The paper was also given to students free of charge this past year, and the staff shared the management of the basketball snack bar with FBLA to raise money for supplies.

The staff itself was increased to eighteen persons. Karalee Taft was the editor, and Karlos Garcia was the business manager. Mrs. Suzanne Ashby, sponsor, aided the staff in their decisions.

1. FBLA advisors Mr. Batchelor and Mr. Stafford got the food ready for members who were initiated. 2-3. Members sold bicentennial T-Shirts as a service project along with a money making project. 4. Kim Richards typed valentine telegrams for those sending love notes to their lovers. 5. Barbara Chavez sampled her hot dog to determine whether or not it was safe to eat.

fbla parli pro seeks first at nationals

1. 1975-76 was a busy year for the Coolidge Chapter of Future Business Leaders of America. The chapter started its year out with the traditional initiation procedures at the city park where hot dogs and soft drinks were served to all of those making it through the initiation.

As a service project FBLA members helped out our Chamber of Commerce by selling Coolidge Bicentennial T-Shirts during our town's bicentennial parade and during their lunch hours at school.

Money also played an important role in the eyes of the members. Many contributed their time to working in the snack bar during the basketball season. They also made money by selling candles, Christmas table cloths, and bicentennial ashtrays.

FBLA not only provided enjoyment for members, but also for the student body. On Valentines Day students were given the chance to tell their real feelings to that special someone. Members typed telegrams which were either read or sung to the person it was sent to.

This year, FBLA was not all work and no play. Members were excused a day of school to participate in the Arizona Western College Regional Conference. Many who went, participated in various business events such as typing, shorthand, record keeping, and office machines. But all was not lost for the rest of the group. The campus provided tours and food facilities to keep them busy.

FBLA'S Parliamentary Prodecure Team spent many hours of practice, preparing themselves for state competition which would send them on to nationals in Washington D.C. Members of the 1975-76 team were Johnny Wiles, Linda Shaw, Debbie Turnbull Lise Powell, and Jill Scott. During their practices the members traded offices and jobs while learning the proper way to conduct a business meeting according to Robert's Rules of Order.

This year was a success for many, but for those who participated in FBLA were left with memories of joy, laughter, and excitement.

1. FBLA's Parli Pro Team for 1975-76 was L to R.: Jill Scott, Linda Shaw, Johnny Wiles, Lisa Powell, Debbie Turnbull, and Mr. Stafford, Advisor. 2. Johnny Wiles listened, as a member rose to a point of order. 3. Jill Scott and Linda Shaw listened as a fellow member debated the question on the floor.

FFA Officers for the 1975-76 year were: Front Row: Doreen Blakeman, 2nd Hostess; Barbara Heet, Sec.; Karee McClune, Treas.; Terri Skousen, Sweetheart; and Greg Wuertz, Pres. Back Row: Tim

McHugh, Vice-Pres.; Mike Wood, Chaplain; Frank Lynch, Sentinel; Bob Keyes, Reporter; and Pat O'Dell, Dist. Reporter. Not Pictured is Linda Shaw, 1st Hostess.

1. Mike Warren was caught hard at work on the FFA Land Lab. 2. Matthew Bagnall and Shari Hendrie shared a few amusing remarks while in an FFA meeting. 3. Frank Lynch listened carefully as he got lesson in Parliamentary Procedure. 4. Barbara Heet and Doreen Blakeman talked over an important item of business. 5. Greg Wuertz relaxed while business was being discussed.

ffa emphasizes leadership

2 The Coolidge Chapter of Future Farmers of America successfully held many activities throughout the year. Keeping with tradition, the FFA held the Annual Sweetheart Ball in cooperation with the FHA. The Coolidge Chapter also held the 1st annual Sweetheart Banquet at which the 1975-76 Sweetheart and Hostesses were announced.

Although some farmland which belonged to the FFA was being used for the school's new maintenance building, the FFA was able to raise many crops. FFA members were also able to help in building a new children's park behind the Women's Club in Coolidge.

Without the enthusiasm and drive of Mr. Bond and the push of Mr. Henry, the FFA would not have been able to accomplish the many activities planned throughout the year.

fha plans for a better tomorrow

The Coolidge Chapter of FHA started off the year with a barbeque at the city park. The event was held to encourage new membership and welcome back old members. At Christmas time, the club entertained youngsters with a party at the Arizona Training Center. Once again as a civic project, the FHA'ers collected for the March of Dimes. Many members represented Coolidge at a district meeting in Miami and a State meeting in Flagstaff. The annual hay ride and Sweetheart Ball, co-sponsored with FFA, was a great success.

The Speech Club planned a Bicentennial Week during February. Activities were held each day at noon. These activities were planned by a committee which organized the week. On Friday, an assembly was held in which many groups participated. During this week each teacher was encouraged to have a bicentennial format within the classroom.

hauasupai is an adventure

The Coolidge High School Science Club started the year off with initiation of the new members. After the strenuous initiative activities, all ate the delicious food which was generously brought by the members.

The Science Club went on a field trip on January 21st to the Pepsi-Cola Company, Sky Harbor Airport to view the tower, and Encanto Park to initiate the new members who joined at semester. At the end of the school year, the club hiked to Havasupai at the bottom of the Grand Canyon.

This year the Science Club, for the first time, accepted new members at semester. The reason for this was many students missed out on the regular initiation.

1. Members of the Science Club actively participated in discussions during a meeting. 2. Mr. Sweis helped the club with many decisions. 3. Tricia Arnold, President of the Science Club, conducted the meeting with authority. 4. Marie Lewis and Linda Shaw looked on while a vote was taken. 5. Tired of writing receipts, Lucy Platt proceeded with, yet, another receipt.

2. Eating onions, dressing like females, wearing gunny sacks and having a certain amount of names signed on a piece of paper were seen taking place for one full week at the end of the year. The week was one of initiation into Lettermen's Club. Several men of CHS go through it every year.

Lettermen's involves many activities. They worked in the snackbar during the wrestling season to provide refreshments for the worn-out spectators. The Lettermen sold booster ribbons and cushions along with having a car wash in money-making efforts.

This year in Mr. Hawkins' Arts and Crafts class students had a number of creative projects, starting out with simple art basics. During the first semester, students' projects were: candle making, macrame, clear cast, cracklets, plates, house markers, art pogue, cutting boards, mosaics, plaster molds, and leather crafts.

In Mr. Morgan's Advanced Art class, each student worked on individual art projects such as paintings, drawings, ceramics, sculptures, and jewelry. They used the art media of oil, watercolor, pencil, colored pencils and mixed media. Some art students wrote on and studied famous artists and paintings of the past and present.

Basic Art classes studied and illustrated the elements and principles of art organization with different art media.

1. Lee Wheeler and Wes Moore worked on a decoupage project.
2. Arthur Greeley polished a silver ring in Mr. Morgan's class.
3. Valerie Johns worked on a mosaic.

students learn basic reading skills

The Decorative Arts class was expanded to two classes this year. There were separate classes for first and second year students. First semester first year students learned how to knit and knitted a complete sweater. Second semester they did projects in macrame, batik, and crochet.

Second year students started the year doing needlepoint. They used needlepoint on pillow tops, learning many different stitches in the process. They chose their own projects after that. Some chose knitting and crocheting, while others chose stitchery and quilting. Second semester, the students worked together on crocheting, macrame, and quilting.

1. Karrie England (left) crocheted an afghan while Beth Shope (right) sewed her needlepointed pillow top together. 2. Kathy Sutton concentrated on decreasing the correct number of stitches. 3. Mrs. Murray prepared to instruct a student on how to sew her sweater together. 4. Kathy Henry concentrated on knitting with two strands of yarn at the same time. co-op changes to work experience

The 1974-75 year marked an end for Co-op and a beginning for Work Experience. Seniors were required to take six classes unless they were in Work Experience. This created a problem for most Seniors—to take the choice of staying in school for **two** more hours or work in the afternoon. Many Seniors took the opportunity to work and had a lot of fun while learning through experience. The program was very successful and educational although some students complained about the Thursday morning meeting at 7:30.

The Auto Mechanics class worked hard this year. They started the year off by learning how to overhaul a car engine. The second part of the year was spent on troubleshooting, fixing a problem before it starts.

The Drafting class advanced their knowledge by learning a wide range of skills, such as lettering and making small projects.

Bachelor Survival worked on new projects this year. Fixing a Thanksgiving dinner stitchery, housing, and designing a bachelor pad were only a small part of their program. During the second semester, the bachelors learned to sew. Some of the many sewing projects were T-shirts, ties, and hats.

This year the chorus was kept active participating in many events. In November they performed at the Arizona State Fair. They attended a music festival in January where one sextet received a 1 rating and another a 3. The Boy's Glee received a 3, the Freshman Chorus received a 2, and the Varsity Ensemble received a 3. Cindy Staggs, Cindy Adams, and Beatrice White received medals. These were just a few of the awards this talented group received.

To raise money for new outfits, various parts of the chorus held bake sales, a rummage sale, and sold programs at football games. In December the chorus performed for the student body.

1. Girls' Glee Club members were: First Row; Jackie Byrd, Crystal Pate, Phyllis Berry, Sandy Knowles, Johnnie Mae McFadden, Jeannie Quihuis, Beatrice White, Katie Sager, Carolyn Adams. The CHS Band continued to grow this year. 57 students made up the 1975 Marching Bear Band, and 53 musicians played during concert season.

Practice for band members started in the summer. Music had to be learned, and newcomers had to be taught the basics of marching for football season. The band performed 6 half-time shows and attended several away games.

Concert season opened with the joint Band-Chorus Christmas Concert. In addition to performing for the student body, this year the concert was presented to the public at the new auditorium at CAC. Many hours of practice were put in to prepare the Band for Solo & Ensemble Festival, Regional Auditions, Concert Festival and the Spring Concert. The final performance for the band was graduation.

Both the Pep Band and Stage Band were very active. The Pep Band played for pep assemblies and basketball games. The Stage Band performed at concerts and festivals.

Musicians who participated in the Solo & Ensemble Festival were: Front Row, L-R, Ruben Licano, Teresa Latham, Kendall Richards, Becky Ortiz, and Lisa Powell. Row 2, L-R, Pat O'Dell, Scott Ludwig, Denise Ward, Curtis Kempton, and Richard Bowen. Row 3, L-R, Bobbi Bowen, Katy Sager, Marie Lewis, Yvonne Harvey, Vickie Williams, Greg Don, Terry Reed, Barbara Chavez, Jeannie Martin, Jill Scott, and Robin Daley.

1. The Marching Band performed an intricate drill during a half-time show. 2. A new addition to this year's half-time shows flag formations done by the pom poms and twirlers. 3. Band members waited on the track before a football game to play "The Star-Spangled Banner."

twirlers receive 'excellent' rating

An old tradition was revived this year at CHS with the choosing of twirlers. Mr. Bowen, Band Director, chose Kim Williams, Carolyn Unger, and Susan Grubbs to perform with the band at halftime shows during football games. These twirlers worked hard during the summer perfecting their techniques. They attended a two day camp in Chandler where they received a first place ribbon. The twirlers also performed solo at half-time shows during basketball season. The twirlers received an excellent rating at the ASU Band Day.

1. 1975 Twirlers were Susan Grubbs, Carolyn Unger, Kim Williams. 2. Drum Majorette Bobbie Bowen led the CHS Marching Band. 3. The twirlers performed a flag routine during half-time.

Performing before a home crowd, the mighty Coolidge Bears won two hard-fought games by beating Ray, 12—0, and Florence, 20—15. The winning spirit was soon snapped when the Bears fell to defeat in four consecutive games. On the road, the team lost to Flowing Wells, Marana, and Gilbert. Back on the home field, the Bruins met the Dysart Demons in the Homecoming battle. The Demons dampened the Homecoming festivities by defeating the Bears, 10—8. By traveling to Ajo, once again the fighting enthusiasm of CHS was displayed as the Red Raiders went down to a 35—12 loss. The Bears ended the season with a loss to Santa Cruz. Crowds of Coolidge fans backed the Bears throughout the games. When the season came to an end, the mighty Eleven, both offense and defense, posted a record of three wins and seven losses. The 1975 football season saw Gilbert snatching the crown for the Class A Central Conference.

Head Coach Alva Hawkins retired this season after 25 years of coaching. Before coming to Coolidge, Coach Hawkins headed up the football squad for ten years in Mangum, Oklahoma. He served CHS as a football coach for 15 years, acting as head varsity coach during the last ten years. Mr. Hawkins will continue teaching arts and crafts at the high school.

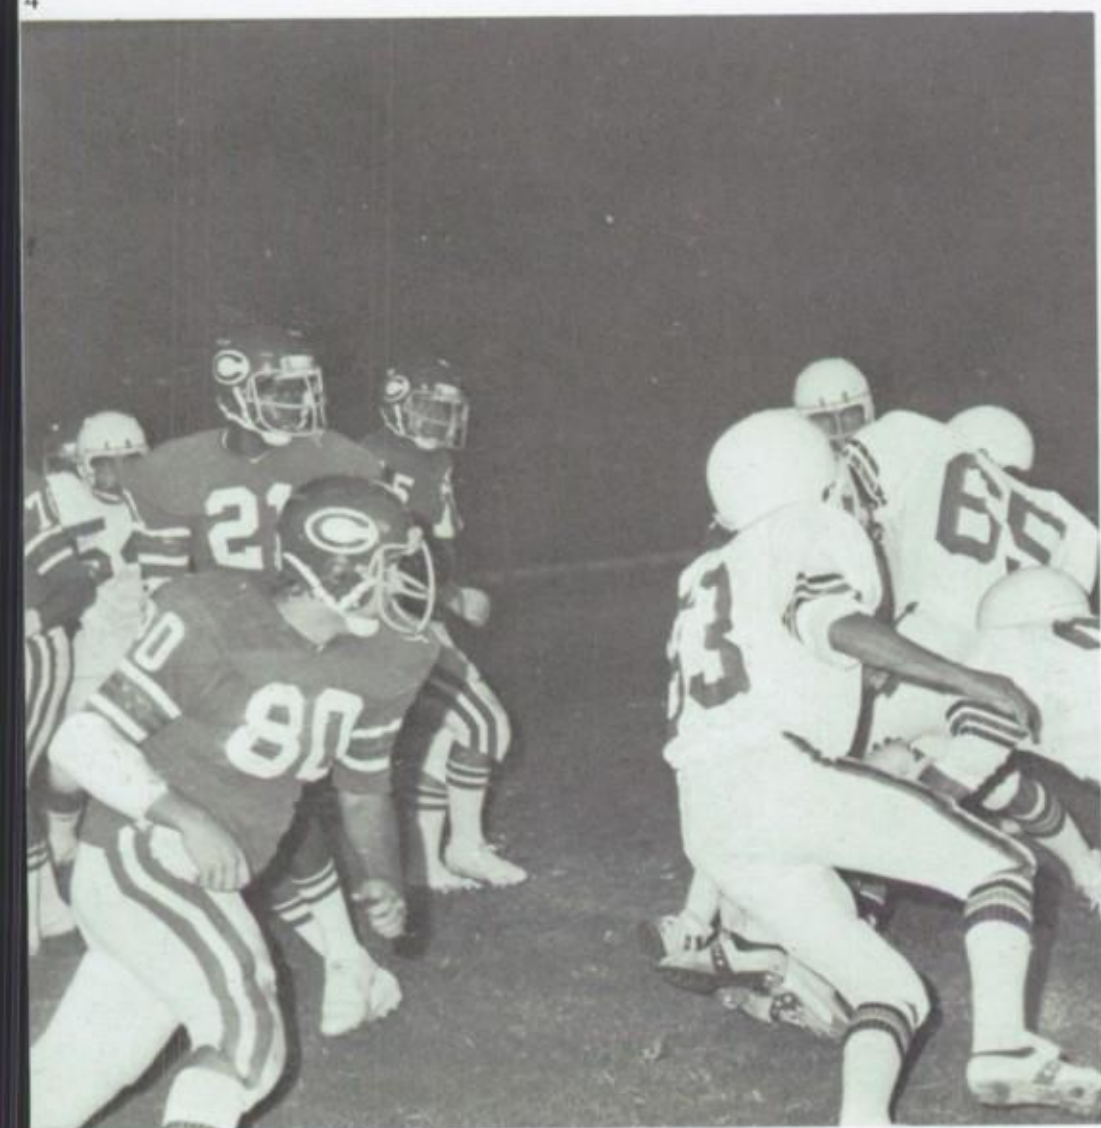

All-State honors this year went to Ernest Clayton, Robbie Dosty, and Danny Bourland.

Under the steady guidance of Coaches Folley and Delbridge, the mighty Freshmen Football Squad went on to an undefeated 1975 football season. The players showed great enthusiasm throughout the games at home as well as on the road. Their success was attributed to the fact that they played as a team through the cooperation of each member.

Though small in number, the 1975 JV squad moved the ball successfully throughout the games. The leadership was supplied by Coaches Renning and Whipple. As the final gun sounded, the JV posted a season of three wins, five losses, and one tie.

The Coolidge Bears Varsity basketball team had the best season ever this year. The Bears were a Senior dominated team with 8 Seniors, 3 Juniors, and 1 Sophomore. Coolidge seemed to have it all this year — the team had height, experience, they were fast and good shooters, and were unbeatable on the boards. Although the starting five, Robbie Dosty, Larry Brown, Ernest Clayton, John Crawford and Wilbert Muldrow, remained the same most of the season, every player on the Coolidge team saw a lot of action and helped put the Bears on top.

Basketball started for the CHS cagers during the summer. Most of the Varsity Bears played on a town team which had only one loss and was one of the top ten teams in the state. Official practice for the 1975-76 season started in November, and the team really began to work on improving their game.

'75-'76 was a record breaking season for the Bears. The old record of 14 consecutive games won in a season was broken when the Bears played Ajo. The scoring record of 104 points in one game was reset when Coolidge scored 118 points against Phoenix Indian. For the first time in ten years, the Bears won the Coolidge Invitational Christmas Tournament. Senior Robbie Dosty was named Most Valuable Player of that tourney. Plus, the Varsity Bears were rated No. 1 in the state for Class A all season long!

1. Senior Robbie Dosty, No. 24, leaped high to bring down another rebound. 2. The Coolidge Bears played good defense in the game against Florence. 3. With arms upstretched, Coolidge and Florence players fought for the rebound. 4. The Coolidge Bears out-rebounded their opponents in every game.

bears are determined players

The Freshman and Junior Varsity basketball teams, although they didn't have the outstanding record the Varsity did, had a good year. Both teams worked to learn and perfect their basic basketball skills.

The Freshman squad, coached by Mr. Maynes, had eight wins and nine losses, with one game to go. The team finished the season with eight dedicated, determined players, all of whom started at one time or another. Coach Maynes, the team's manager Bobbi Bowen, and the players all enjoyed basketball season.

The J.V. team had a 7-10 season. The Junior Varsity year is a training time for the upcoming varsity players, and this year's J.V.'s had the opportunity to train. Coach Folley said even though the team didn't have the greatest season ever, that he really enjoyed working with the J.V. players.

bears find victory in their stockings

For the first time in nine years, the Bears won their own Christmas tournament. The Tournament was held December 18, 19, and 20. Eight teams: Page, Apache Junction, Eloy, Gilbert, Sahuarita, Ray, and Coolidge participated in it. The first place finisher was Coolidge High School. Second went to Gilbert, last year's winner, and a third went to Florence. The Consolation prize was won by Buckeye.

gymnasts prove more bounce to the ounce

This year the gymnastics class was cut down to one period a day. Mr. Renning taught the class for his third year with basic skills in tumbling, vaulting, even and uneven parallel bars, high bar, rings, balance beam, trampoline, and floor exercise. To get the class in shape, Mr. Renning led his students in strenuous exercises and running for the first 2½ weeks of school.

1. Nelson Morrow showed good form while he held a handstand. 2. Debbie Owens bounced high on the trampoline while she attempted a straddle jump. 3. Coach Sampson looked on as his P.E. class built their bodies.

summer extends around the world

3.

Although the school year ended in May, many Coolidge High School students continued their education through summer camps. The usual groups of cheerleaders, pom poms, twirlers, football players, and wrestlers went to their respective camps. Many individuals also went to camps during summer vacation. Richard Bowen, Bobbi Bowen and Robin Daley attended a music camp held at Northern Arizona University. They attended classes that helped them improve their musical abilities. Cindy McClain, Yearbook Editor, attended a ten day workshop also held at NAU. She learned many new ideas which were used in this year's annual. Tricia Arnold attended a gymnastics, diving and swimming camp at the University of California at Irvine. Ann Cole attended a ballet camp in Colorado. They both learned new ways to improve on their dancing skills. Karrie England toured six countries in Europe during July. She visited such well known places as the Tower of Piza, the Louvre, the Vatican, Notre Dame Cathedral, and witnessed the changing of the guard at Buckingham Palace.

Student Council members, Carol Buys and Raul Garcia, took time out to pose for a yearbook picture. 4. Student Council President, Matthew Bagnall, tried to explain a new idea introduced to the Council. 5. Some members were amused with one of the relaxers during a meeting.

⁵ The Coolidge High School Student Council worked on many activities throughout the year. The year began with a Back to School Dance sponsored by the Student Council. Everyone enjoyed the dance as they listened to the tunes of "The Memory Makers."

One Saturday morning many Student Council members, along with others from the high school, got up bright and early to keep the tradition of painting "C" Mountain. Although a success, more paint wound up on the students rather than on the mountain.

Student Council also sponsored Homecoming Week which ended with a very successful dance. The band "Geofree" played during the semi-formal dance which was well-planned.

Throughout the year Student Council promoted various activities which were very successful through the participation of the Student Body, Faculty, and the Administration.

The race started in September of 1972. It continued for four long, hard years, and ended with a tie for first place. Debbie Turnbull and Ann Cole tied for first with the other eight students close behind.

Many students worked hard which required continuous hours of studying. The pressures of homework often conflicted with extra curricular activities, making it hard to qualify for the top ten.

The winner of the Betty Crocker Homemaker of Tomorrow Award was Cindy McClain. She took a written test to evaluate her knowledge of homemaking. Ironically, Cindy never took any home making courses.

Ann Cole was selected to succeed Leevon Owen as Pinal County's Junior Maid of Cotton. Ann attended many luncheons and fashion shows for the cotton wives.

Arthur Greeley was chosen by the science department as the recipient of the Baush and Lomb Science Award. His outstanding abilities in science during his high school years put him at the top.

class of '76 wins honors

The 29th Annual Boys' State proved to be a good experience for this year's Boys' Staters. Matthew Bagnall, Richard Bowen, Pat O'Dell, and John Wiles spent a busy week learning about government and making new friends. Lisa Powell and Kim Richards were delegates to the 28th Annual Girls' State. Participating in mock government taught them much about how actual government is run.

National Honor Society members are selected on the basis of their scholarship, leadership, service and citizenship. This year's NHS demonstrated service by selling tickets to both Drama Club plays. They also sponsored a canned food drive, in conjunction with the Coolidge Chamber of Commerce, to provide food for needy families at Christmas.

1975 Boys' State alternates and delegates who attended the 29th Annual Boys' State, June 7-13, at Northern Arizona University were, From L-R, Richard Bowen-delegate, Matthew Bagnall-delegate, Tim McHugh-alternate, Johnny Wiles-delegate, Greg Wuertz-alternate and Pat O'Dell-delegate.

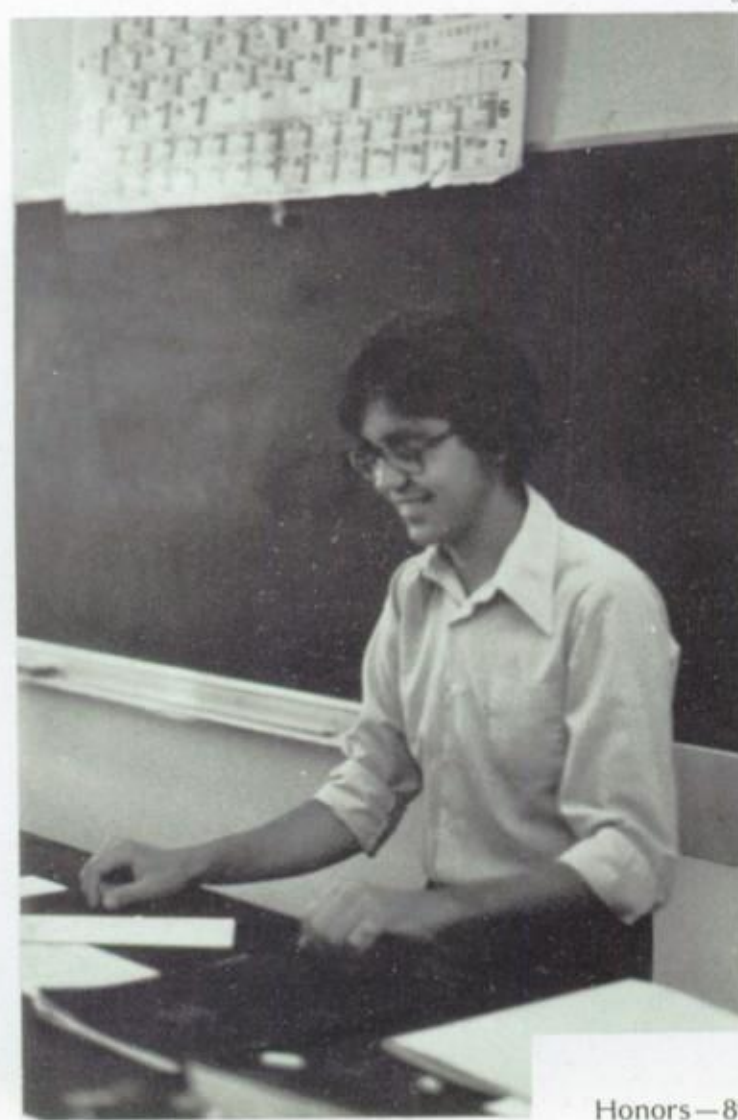

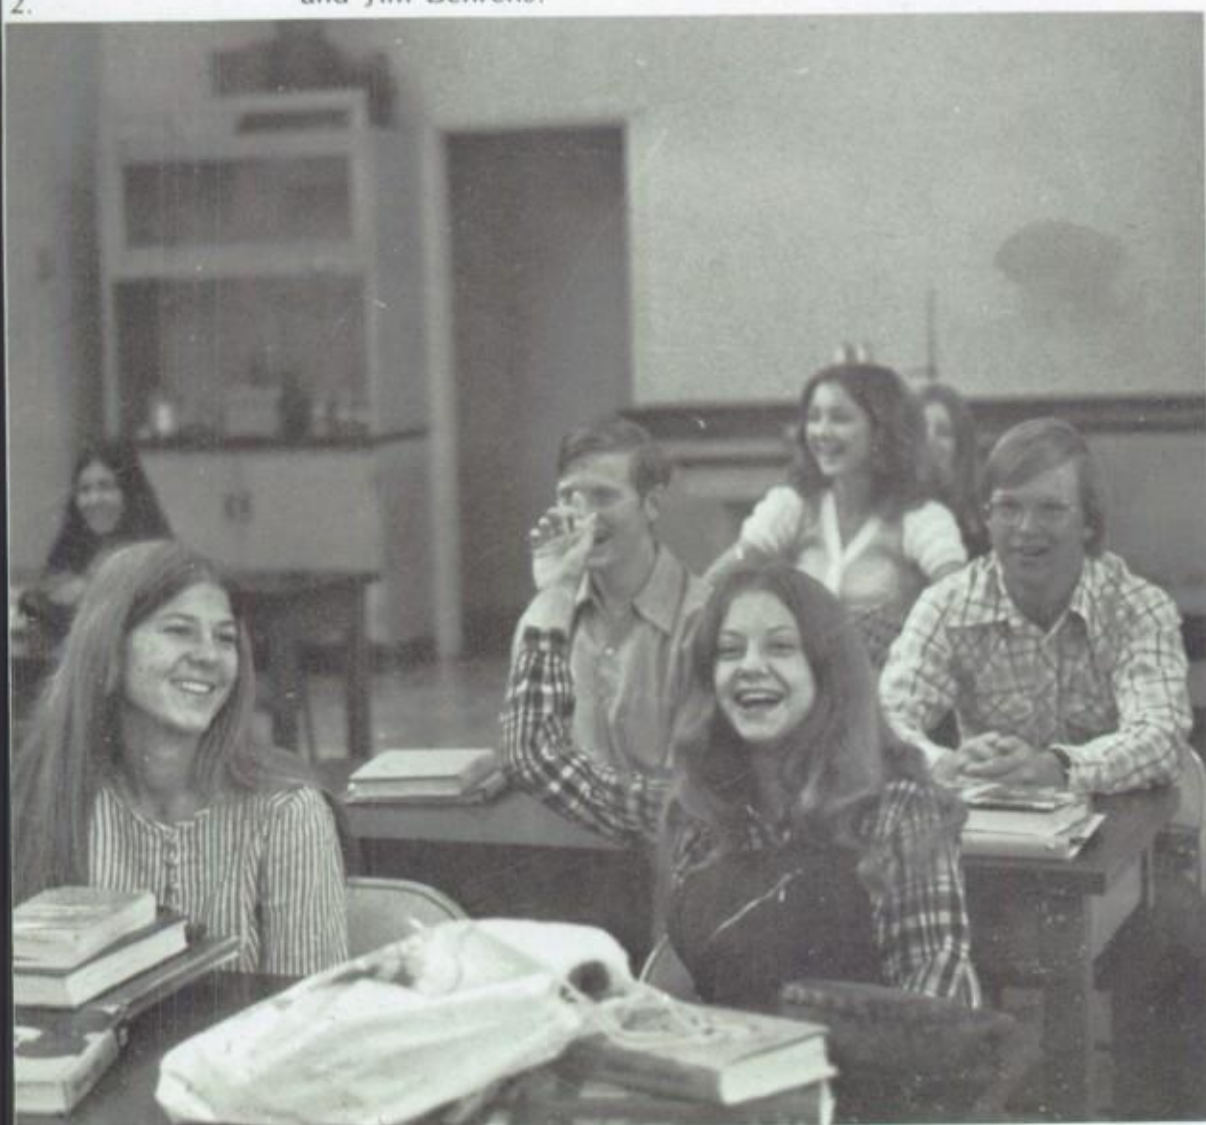

1. Lisa Powell, Girls' State delegate, told Tim McHugh about her experience at Girls' State. 2. Jennifer Beekman and other NHS members had a good laugh, while Lisa Powell asked a question. 3. President Richard Bowen successfully led the 1975-76 National Honor Society to a good year.

1975 Girls' Staters and alternates were, Front Row: Ann Cole and Tricia Arnold-alternates. Row 2: Kim Richards and Lisa Powell-delegates.

NHS members were: Back Row, Harold Love-Sponsor, Richard Bowen, Pat O'Dell, Karalee Taft, Cheryl Skrla, Mike Lawrence, Beth Shope, Ann Cole, Karen Scott, John Wiles, Vicki Kennedy, and Cindy McClain. Front Row, Tricia Arnold, Rosario Saucedo, Karrie England, Linda Shaw, Debbie Turnbull, and Jennifer Beekman. varsity cheerleaders back the bears

Coolidge High School has a tradition of having good cheerleaders. This year's Varsity line was no exception. All year long, these six spirited girls worked to back the Varsity Bears. They were Tricia Arnold and Lisa Powell-Seniors, Theresa Behrens, Fairy Jordan, Ragie Morrow and Terri Skousen-Juniors.

Soon after the line was elected, practice began in order to prepare the line for camp. The Varsities attended the Camp of Champs at NAU in July. All the hours of hard work paid off as the Varsity squad received five blue ribbons and won the Spirit Stick three times. Also, they were one of five squads chosen to compete for the coveted Award of Excellence.

With football season came many responsibilities for the Varsities. In addition to cheering all the games, they made posters, baked for the team, decorated the Victory Hoop, had pep assemblies, and cooked breakfast for the whole football team. During basketball season the line continues all of these activities, as well as decorating the gym for the Christmas Tournament. Cheering for the outstanding Varsity Bears was a job these girls did well and with pride.

1. Theresa Behrens did 'Smoke 'Em' at the Marana game. 2. Tricia Arnold and Terri Skousen did a chant. 3. Theresa the Soldier, Lisa the Ref., and Fairy the Fairy discussed what cheer to do. 4. The Varsity cheerleaders performed a pyramid for the photographer. 5. Fairy Jordan and Lisa Powell cheered for the Varsity Bears. 6. Tricia Arnold, Terri Skousen, and Theresa Behrens yelled for two points. 7. Ragie Morrow told the Bears to 'Go Get 'Em'. 8. The Varsity did a cheer in Halloween costumes at an assembly.

cheerleaders boost team spirit

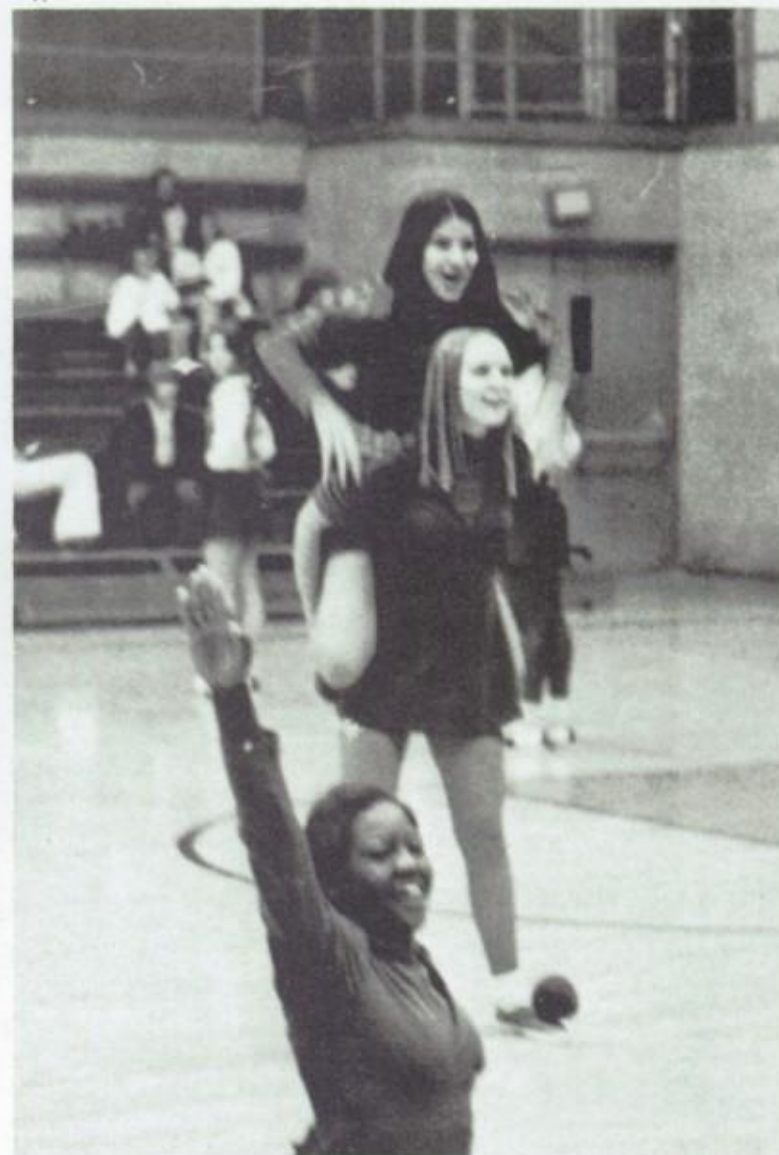

Cindy Harper, Shay Meadows, Debbra Muldrow and Therese Shaw were the four enthusiastic sophomores chosen to be Junior Varsity cheerleaders. Shay, Debbra and Therese were all Frosh cheerleaders last year, and Cindy was a matmaid, so this year's J.V.'s were an experienced squad. At cheerleading camp last summer, they won 3 red ribbons and 1 blue ribbon in addition to helping win the Spirit Stick. The J.V.'s continued to work throughout the football and basketball seasons backing the J.V. Bears by making posters, cheering at pep assemblies, and cooking goodies for the players.

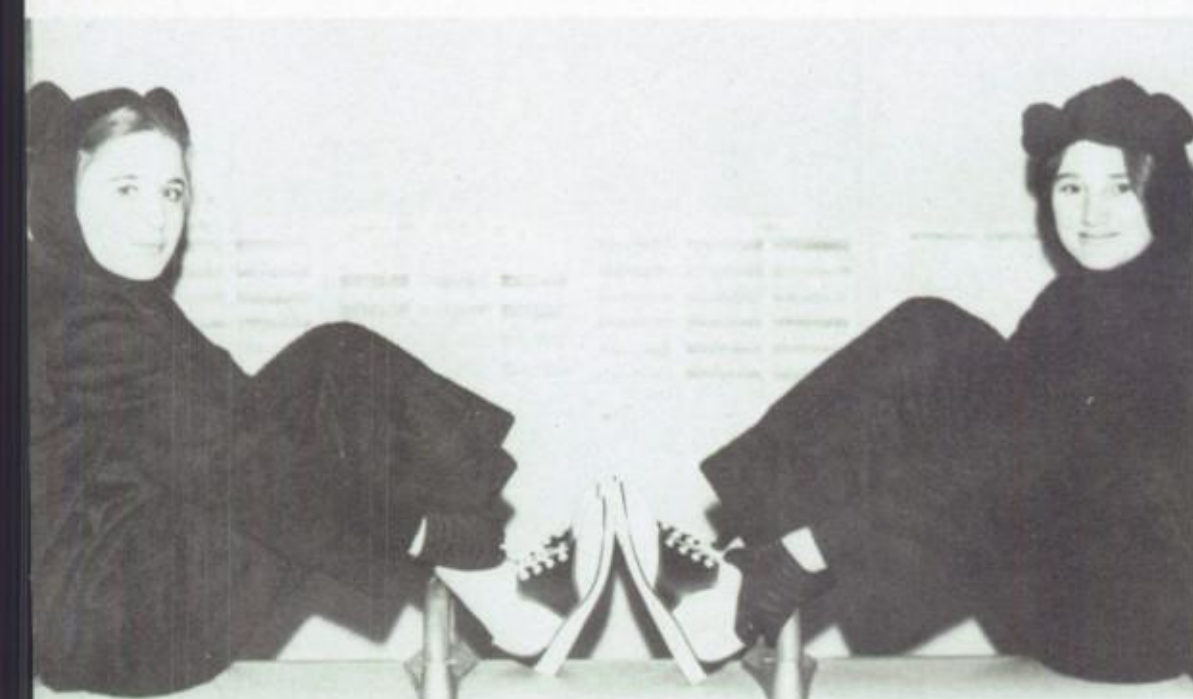

Freshman cheerleaders for the 1975-76 year were Edna Aguayo, Sandra Cooper, Cathy Gaeta and Kim Rowe. All four of these girls were junior high cheerleaders last year. Having cheered together before helped make their squad one of the best Freshman squads CHS has ever had.

Kelly Wadkins and Nancy Sego were this year's Bear Mascots. During Football season Kelly cheered alone. Then during basketball Nancy and Kelly worked together as mighty Bears. This was the first year CHS has ever had 2 mascots.

poms dance to the music

The 1975-76 Pom Pon line were, Left to Right: Front Row: Tandra Horning and Kim Taft. Row 2: Sue Calvin and Kim Richards. Top Row: Lisa Grott, Kristen Kintz and Lucy Platt.

1, 2, 3, 4, 5, 6, 7, 8,. This is just one of the sounds which could be heard coming from the gym after school. The sound was one of a few coming from the mouths of Pom Pons while practicing. The other comments couldn't be used.

The Poms started practicing early in June, in preparation for camp. This camp provided many of the steps which were used throughout the year. Soon after school started the Pom Pon girls were out, bright and shiny, at 7:15 in the morning, marching with the band. This was to put on a half time program at football games. In September the Poms and the Cheers, put on a Mexican dinner to raise money. The money was used to buy new uniforms with, thus retiring the red corduroy dresses.

The poms also attended NAU Homecoming, ASU Band Day, and two parades with the band. The Pom Pon line performed at pep assemblies, basketball games, acted as hostesses at the Christmas Tournaments, and Santa's helpers at the ATPC Christmas party.

1. Poms performed at half time to 'Shining Star'. 2. A hand routine was done at halftime at the Marana game. 3. The Pom Pon girls kicked in time to the music. 4. Poms were, left to right, Top Row: Lisa Grott, Kristen Kintz, Lucy Platt, and Carol Wuertz. Bottom Row: Sue Calvin, Kim Richards, Kim Taft and Tandra Horning. 5. Doing skits and dances were just one of the many duties for the Pom line.

matmaids pound out spirit

Twelve lively girls and one alternate were chosen this past year to give spirit and support to the wrestling team. Chosen were Sally Bollhauve, Beverly Byrd, Debra Craig, Melany Collier, Sherie Hendrie, Melissa Karvelis, Vicki Kennedy, Carolyn Kenworthy, Margie Mendoza, Becky Reyna, Kelly Taft, Beatrice White. Suzette Nowlin was chosen alternate. She cheered at all of the home games.

The Matmaids picked Michele Sampson and Melissa Collier as mascots. Michele was the daughter of Coach Sampson, and Melissa was the sister of matmaid Melany Collier. These girls practiced hard after school learning cheers and making posters. They were deeply appreciated. Mrs. Carol Beebe and Miss Deborah Dosh were their sponsors.

Elected to cheer the wrestling team to victory were: Mascots Michele Sampson and Melissa Collier; Middle Row: Carolyn Kenworthy, Margie Mendoza, Debra Craig, Beatrice White, Becky Reyna, Vicki

Kennedy. Top Row: Sherie Hendrie, Suzette Nowlin, Beverly Byrd, Melany Collier, Melissa Karvelis, Kelly Taft, and Sally Bollhauve.

seniors excel

The Class of '76 proved its seniority during 1975-76. With 155 people, the Senior class finished their four years at Coolidge High School. The class officers and Senate worked hard to make 1975-76 a successful ending to their high school years.

The Seniors made their presence felt to the underclassmen all year long. Spirited Seniors won the Spirit Stick at many pep assemblies, and the Senior-Frosh truck won in the truck decorating contest. The Senior float, with its 8 foot star, took top honors. Its theme, 'Bears Are Superstars', caught on and became the slogan for the Varsity Bears.

Upon becoming Juniors, the class of 1977's first objective was to raise money for the prom. They opened the snack bar for most Freshmen and Junior Varsity games, and all of the Varsity games. They began planning their prom early. Arrangements were made in October to reserve the band "Hot Lucy" for the prom. "Hot Lucy" was the best rated band in Southern Arizona.

To follow tradition the Juniors picked their class rings. With a majority 'vote, they agreed on the style called "The Way We Were". Homecoming arrived, and the Juniors decided on the theme "Douse the Demons" for their float. The attendants chosen were Skip Passmore and Joyce Nowlin. Even though they did not place, the Juniors had a good time constructing their float.

All this was accomplished through the guidance of the Junior class sponsors, Mrs. Millheim, Mr. Hoffman, Mrs. Stewart, and Mr. Justus.

Through all the tests taken, plans made and completed, the class of '77 made it through their Junior year. They were ready for their final year at CHS.

The Class of '79 made their first year at CHS a rousing success. This was due to the hours of hard work and the spirit of cooperation which the freshman class, its officers, and sponsors showed.

The frosh started off the year with the election of their class officers. Next came the building of their float. The theme was 'Devour the Demons', and it depicted a shark eating a demon. Elected to represent the Freshman class as Homecoming attendants were Kim Rowe and Virgil Jordan. Among the other activities the frosh sponsored and participated in were the painting of 'C' Mountain, Freak Week, and hosting the Sophomore Return dance.

This year's Freshmen were a very spirited group. The coveted Spirit Stick was theirs at several pep assemblies during the year. Led by their cheerleaders, Edna Aguayo, Sandra Cooper, Cathy Gaeta, and Kim Rowe, the Freshmen were enthusiastic supporters of their football and basketball teams.

It's finally finished, the 1976 bicentennial PRESIDENT. I would now like to give my special thanks to Mrs. Janice Millheim for her advice and counsel and for putting up with all of my fears and worrying. I also would like to thank the COOLIDGE EXAMINER for loaning pictures for the bicentennial section.

And a special thank you goes to the rest of the '76 staff for what they did to make this book a success.

students drag through western week

Western Week was a success. The week started off with the freshmen taking the afternoon activities and the sophomores taking the assembly activities. Afternoon activities consisted of cow chip throwing, cigarette rolling, and the three-legged race. Assembly activities were as follows: balloon bust, ping-pong ball contest, sleeping bag race, best cowboy and cowgirl, and the find the horse contest. The assembly was led by Student Council President, Matthew Bagnall.

1. Ann Cole and Craig Hiscox dragged in for a sure win for the seniors. 2. Jim Garrett demonstrated his talents in the ping pong contest. 3. Tom Cathemar streaked across the gym during the assembly. 4. Sherry Ferguson and Larry Delbridge flew through the bag race. 5. A few students did the Gator to add points to their class total in the competition.

2.

1. Betsy Ross, portrayed by Theresa Beherns, told how she felt about America. 2. Showering balloons on the audience, Mathew Bagnall showed he had spirit. 3. The drama club put on a short skit concerning patriotism. 4. The band and choir celebrated our Bicentennial by providing us with musical entertainment. 5. Debi Jones led the school in singing "Happy Birthday" to America.

3.

4.

The Bicentennial assembly put on by the speech club and Beartracks staff was a great success. The speech club sponsored many noon activities that dealt with the history of our United States. Also, as an added surprise, the Speech Club members all dressed to resemble famous people throughout history. The Beartracks staff participated by holding a contest during the assembly, "What America Means to Me." One contestant was selected to represent each class. Senior Beth Shope won the event. The staff also wrote an article in their paper featuring the Bicentennial.

girls invade track

The Coolidge High School Track Team adopted new members this year. Girls had their own track team. Headed by Eric Batchelor, the girls sent Zaira Gonzales and Dorene Jordan to participate in the State Championship. Zaira was sent to the Tournament of Champions where she was recognized as one of the state's best discus throwers. Overall, the new addition had a successful season.

Sponsored by Dick Maynes and Larry Delbridge, nine boys were sent to state. Wilbert Muldrow took first in shot put with Jim Earl Harrison in sixth in the same event. Alvin Moore ended up fourth in the 220, and Skip Passmore stole fifth in the high jump. Young talent was in abundance on the track team; more should be heard from this active team in the future.

1. John Crawford made a jump shot during the State Championship game. 2. Wilbert Muldrow tried a 4-foot shot during their game against Safford. 3. Larry Brown attempted a short jump shot. 4. A few Coolidge fans greeted their team after the State Championship. 5. Despite pressure 5. put on by Safford, Robbie Dosty got his field goal off. 6. A feeble attempt was made by the Bears' opponent to block another basket.

3. Coolidge was taken by surprise this year when both the Boys and Girls Basketball teams took first place in State competition. It was indeed a great honor and privilege for Coolidge to be represented at the State tournaments so well.

The girls, under the direction of a new coach, proved that women could do just as good as the men. The girls defeated Ray with a score of 40 - 37 to win the Class 'A' Girls' State title.

To no surprise of Coach Joe Partain, the boys basketball team defeated Safford by a score of 73 - 53, to take the Class 'A' Boys' State championship title.

4.

Members of the Girls Class 'A' State Basketball Team for the year 1976 were: Front Row: Martha Gomez, Lupe Duran, Norma Ortega, MaryAnn Garcia, Tracy Murnack, and Cheryl Thomas. Back Row: Sandi Chitwood, Zaira Gonzales, Derilyn Cogger, June Shorthair, Theresa Duran, Vera Muldrow, Cheryl Ripley, Doreen Jordan, Kim Mote, and Coach Beverly Fowler.

varsity gains experience

The varsity baseball team got off to a slow start this year. The team had many new faces. With Coach Renning's guidance, the team worked hard to refine their baseball techniques. As the season progressed, the team showed improvement. The varsity team should have a successful '77 season with many lettermen returning.

1. Joe Delsi took a healthy cut.
2. Danny Bourland threw another strike. 3. Danny Bourland showed the right batting technique. 4. Randy Brady warmed up for relief.

Varsity Baseball players for 1976 season were: Row 1: Donny Johnson, John Sesma, Jim Garrett, Danny Garza, Cecil Jackson, Tom Bagnell, Manuel Morena, Mgr. Row 2: Joe Delsi, Steve Davis, John Crawford, Dennis Rushing, Randy Brady, Kevin McHugh, Banny Bourland, Joe Rojas, and Coach Bob Renning.

tennis teams welcome spring

This year's tennis season opened with an early start. Practice began early February, and the first match was March 1st. Competition was shown throughout the season as the boys and girls competed for a higher position on the ladder.

Coolidge was able to send their boys #1 doubles team to state where they competed with tennis players from other class "A" schools. Mark Appel and Craig Hiscox were the team representing CHS.

1. Debbie Turnbull charged the net as she returned an overhead shot. 2. The 1976 girls and boys tennis team were Back Row L. to R: Coach Partain, Ronnie Sherrill, Preston Holland, Craig Hiscox, John Wiles, Skip Cole, Arthur Greely, Art Buys, Coach Wiseman, Mike Lawrence. Front Row L. to R: Mark Appel, Kim McEuen, Debbie Turnbull, Linda Jones, Melissa Karvelis, Linda Shaw, Therese Shaw, Jennifer Beekman, Corky Keyes, Terry Reed, and Richard Bowen. 3. Linda Shaw quickly covered for her partner after missing a net shot. 4. Linda Jones showed good form as she followed through after a perfect backhand.

juniors return to fantasy

The class of '77 began planning the Junior-Senior Prom in October. The theme was decided to be, after much discussion, "Return to Fantasy". Next on the agenda was the band. Lucky for the class, Hot Lucy was unreserved for the night of April 24. The day of the Prom, everything seemed to fall into place, thanks to the students who put in hours of hard work. The Junior class had six attendants who were; Marcell Collier, Skip Cole, Kim Taft, Wade Welch, Karee McClune, and Kevin McHugh. The moment finally arrived that named Ann Cole and Danny Bourland as the '77 Prom Queen and King. The Senior attendants were: Debbie Turnbull, Debi Jones, Jim Behrens, and Mike Lawrence.

1. The Juniors thoroughly enjoyed painting their murals. 2. Students put up a painting while a sponsor looked on. 3. "Hot Lucy" patiently awaited for 9 o'clock to arrive. 4. The couples danced throughout the evening to the sounds of the band. 5. Danny Bourland and Ann Cole proudly accepted the titles of King and Queen.

1. Seniors marched with a bicentennial theme. 2. Fireworks marked the end of graduation. 3. Caps were lined with care upon a car. 4. The graduates smiled happily as they filed out. 5. Kay Naff took time out to relax. 6. Graduates exchanged congratulations with smiles and hugs. 7. Terry Rhodes assisted Mike Lawrence with his white scarf which designated an honor student. 8. The girls, eager to start the graduation ceremony, stood in line. 9. The boys listened attentively to the chorus. 10. Happy smiles were displayed on many senior faces. 11. Mrs. Carolyn Warner told the seniors to "think well of themselves."
